

## **The Colorado State Budget Process**

### **Motions that Bring a Question Before the Assembly Again**

*By Jeanette Hensley, Board Member Colorado Senior Lobby*

1. **Take from the Table** = resume consideration of a main motion
2. **Rescind, Repeal or Annul** = cancel something that has been previously adopted
3. **Amend Something Previous Adopted** = proposal to modify wording or text previously adopted
4. **Discharge a Committee** = if a question has been referred or a task assigned to a committee that has not made a final report the committee may be discharged to allow the Board to take action or to drop the motion
5. **Reconsider** = within the same meeting a motion has been voted on the question may come before the assembly again as if it had not been voted on
