To those of you that are new to using a credit card with PayPal, below are some tips. Please call or email me with any questions - Karin

The screenshot shows the Colorado Senior Lobby website with a 'Buy Now' button highlighted in yellow. A red box surrounds the 'Buy Now' button and a screenshot of the PayPal payment screen. The PayPal screen shows the 'Pay with PayPal' option in a grey box and the 'Pay with Debit or Credit Card' option in a grey box. A pink arrow points to the 'Pay with Debit or Credit Card' option.

On the Colorado Senior Lobby website, the organization uses PayPal to process credit card payments. See the **Yellow "Buy Now" Button** below.

When you **CLICK** the **"Buy Now"** you are taken to PayPal and you will see the screen below where you have two choices:

"Pay with PayPal" or "Pay with Debit or Credit Card"

The **"Pay with Debit or Credit Card"** is shown in the **grey box below** the option to pay with PayPal.

*If you are logged into PayPal and want to pay with a major credit card, then you need to log out of PayPal and then CLICK the Colorado Senior Lobby **Yellow "Buy Now"** button.*
