Don't just complain about politics. Do something. Join Colorado Senior Lobby

You care about the most important issues impacting older Coloradans, which include issues around health, housing, mobility, elder abuse in its many forms, and others. We are an advocacy organization focused on improving the health and well-being of older Coloradans. Your financial commitment is critical to the sustainability of our work. Join US! Become a member and **be recognized** for your contribution to our success.

Our Mission:
To Help Improve the Quality of Life and Well-Being of Aging Coloradans

We work with other groups of advocates with similar interests; we listen to others with different ideas; we converse with our elected and appointed officials about issues of importance to our mission - including facts, personal stories. It's a process.

By joining, you are providing the funds that allow our non-profit organization to inform, educate, and advocate for all Colorado seniors whether you have time to volunteer or not. It is very exciting to have more citizens and organizations increasingly more interested in Colorado's senior issues.

- *As our senior population grows, it is vitally important that we let our legislators know where we stand on senior issues.*
- *Your financial support is greatly appreciated and allows us to continue to make our presence known at Colorado's Capitol and at the offices of our state and local legislators.*
- *Your support also covers operational costs and expenses incurred throughout the year.*
